

Dear Brother Secretary and Charity Steward

I would be most grateful if you could report the contents of this Newsletter to your Brethren at your next Meeting and circulate it to those who cannot attend. Initial responses as far as tickets for the event below would be appreciated **by the end of January 2011** please to assist with planning.

### **An Evening of Musical Entertainment at Blundell's School**

Freemasonry has enjoyed a long tradition of support from the school and with Old Blundellian's through the Craft Lodge. Indeed, our Provincial Grand Master is an Old Blundellian and in January will actually be installed as the Worshipful Master of Blundell's Lodge itself! In addition, the heart of our Festival is to assist children in distressed circumstances through the RMTGB. What could be better than for children in improved circumstances to offer their support to raise money for our cause!

I am delighted to announce, therefore, that Blundell's School has agreed to stage a fundraising evening of fun and music with the proceeds to go towards the Festival Funds. With the grateful help of Andrew Barlow, the Director of Music at the School, and Jane Rogers a successful and talented soprano, a highly entertaining evening of chamber, choral, choir, jazz and swing music is to be held on 11<sup>th</sup> March 2011. The School has a marvellous array of talented musical students who, with Jane's involvement as well, are all willing to give their time and efforts freely in order to promote our cause.

I call upon as many of you as possible to come along and enjoy yourselves and help raise some money at the same time.

The details are:

Venue: 'Big School' (the main school hall) Blundell's School, Blundell's Road, Tiverton
